Subject: 2011 REDISTRICTING OF COUNTY SUPERVISORIAL DISTRICTS

The County of San Diego's 2011 redistricting process has begun. You are invited to participate in an upcoming series of meetings of the County's Redistricting Advisory Committee ("Committee"). This panel of residents has been charged with taking public input and making recommendations to the Board of Supervisors as part of the 2011 redistricting process.

State law requires the County Board of Supervisors to adjust the boundaries to balance the populations of the County's five supervisorial districts every ten years, based on the federal census. Adjustments to the district boundaries may change the supervisorial district in which a resident lives. All County residents have a stake in the outcome and public participation is a key component of the County's redistricting process.

The Committee's first public meeting is scheduled for **February 23 at 9:00 a.m. in Room 310 of the County Administration Center, 1600 Pacific Highway, San Diego, 92101.** The public is welcome to attend.

The five-person Committee was appointed earlier this year by the Board of Supervisors. The Committee will conduct a series of public meetings over the next five months. The Committee will hear and consider public

input, 2010 Census data (which by law becomes available by April 1) and other population and demographic data in order to develop proposals for adjusting the districts so their populations are as equal as may be.

In addition to meeting at the County Administration Center, the Committee will travel to each of the County's five supervisorial districts to hold public meetings in late April and early May. At each meeting, you can learn more about the redistricting process, voice your ideas or concerns to the Committee, and monitor the Committee's progress. You can also submit proposed district maps for consideration in person or online.

Ultimately, the Committee will present up to three redistricting proposals to the Board of Supervisors. The Board will consider the Committee's proposals and public input at its own public meetings. The Board's stated goal is to adopt an ordinance specifying the new supervisorial districts by July. The adjustments to district boundaries will determine which of the five County supervisorial districts you live and vote in beginning in 2012, and continuing through 2021.

Please visit the County's new redistricting webpage, where you'll find more details and the Committee's proposed meeting schedule and locations. Meeting agendas, mapping tools, 2010 Census data and proposed maps will be posted on the site as they become available. You can also subscribe to get email alerts with the latest redistricting updates. **For more information please see www.sdcounty.ca.gov/redistricting or contact the County via e-mail at redistricting2011@sdcounty.ca.gov.**

Sincerely,

MIKEL HAAS
Deputy Chief Administrative Officer

CC: Board of Supervisors

I just read an article that stated that there are no North County residents on the board. I am 100% willing to fill that seat!

Please advise!

Dear Ms. Sanfilippo,

Thank you for your e-mail. The County of San Diego's Redistricting Advisory Committee will not consider redistricting of the City Council districts in the City of San Diego. The role of the County's Redistricting Advisory Committee is to make recommendations for adjustments to the boundaries of the Board of Supervisors districts only. If you wish to contact the City's Redistricting Commission, they can be reached at redistricting_2010@sanidiego.gov.

San Diego City should be redistricted to reflect the 60% majority Democratic voters::

- 1 - La Jolla, UTC, Mira Mesa - Rep.
- 2- Rcho Bernardo, Rch Penasquitos, Poway - Rep.
- 3 - PB, Clairemont, Kearny Mesa - Dem.
- 4 - Mission Beach, Linda Vista, Serra Mesa - Dem.
- 5 - Ocean Boeasch, Point Loma, Old Town - Dem.
- 6 - North Park, College - Dem.
- 7 - Downtown, South Park - Rep.
- 8 - Southeast, Logan - Dem.
- 9 - Imperial Beach, San Ysidro - Dem.

Anything else is pure gerrymandering.

As well, please note Lorie Zapf did not win Donna Frye's seat, she stole it, just as Republican mayors stole Donna Frye's mayoral win 3 times.

Thank you.

Regarding redistricting The County, the fact that the County is majority Democratic should be taken into account, and 3 seats out of 5 should reflect the Democratic majority.

I would suggest that Districts be drawn as follows:

North County Coastal - Democratic.

North County Inland - Republican.

San Diego Central - Democratic.

East County - Republican.

San Diego South Bay - Democratic.

There should be apportioned enough voters registered with either party to ensure these results. Thank you!
